CASE NO. 3:20-cv-06145-RJB

ORDER ON MOTIONS

This matter comes before the Court on the August 25, 2022 pleading entitled “Plaintiffs’ Placeholder Motion to Seal-Redact” (Dkt. 77), the October 24, 2022 pleading entitled “Plaintiffs’ Placeholder Motion to Seal-Redact” (Dkt. 95), the October 31, 2022 “Agreed Placeholder Motion to Seal-redact *Daubert* Motions” (Dkt. 102) and the Defendant’s Motion for Summary Judgment (Dkt. 87). The Court has considered the pleadings filed regarding the motions and the file herein.

1           **Motions to Seal.** Parties have filed multiple motions and pleadings under seal. Dkts. 78,  
2 85, 98, 99, 101, 103, 105, 109. The parties have filed “placeholder” motions to seal. Dkts. 77,  
3 95 and 102.

4           In the last “placeholder” motion, the parties inform the Court that (pursuant to Local Rule  
5 W.D. Wash. 5(g)), they have filed pleadings under seal at the request of the opposing party. Dkt.  
6 107. Further, they state that “so that the parties who seek to seal/redact confidential information”  
7 may satisfy the requirements of the Local Rule 5(g), they have agreed to the following briefing  
8 schedule: responses, if any, to the motions to seal should be filed by December 5, 2022 and  
9 replies, if any, should be filed by December 9, 2022. The parties state that they agree that all the  
10 motions to seal (Dkts. 77, 95, and 102) should be renoted for consideration for December 9,  
11 2022. Accordingly, the motions to seal (Dkts. 77, 95, and 102) should be noted for consideration  
12 on December 9, 2022.

13           Parties should be aware that decisions on the pending motions to certify the class,  
14 motions to exclude, and motions for summary judgment may be issued before December 9,  
15 2022.

16           **Motion for Summary Judgment.** After the Defendant filed a motion for summary  
17 judgment, the parties filed an agreed briefing schedule for cross motions for summary judgment.  
18 Dkt. 90. In that pleading, the Defendant renoted its motion for summary judgment to November  
19 14, 2022 and the parties agreed to complete briefing on the Plaintiffs’ motion for summary  
20 judgment on November 21, 2022. Dkt. 90.

21           The cross motions for summary judgment are related and should be considered together.  
22 The Defendant’s motion for summary judgment (Dkt. 90) should be renoted for consideration for  
23 November 21, 2022.

Dated this 7<sup>th</sup> day of November, 2022.
